Present Position

| | | |
|--------------|--|--|
| 1998-present | President Principal Investigator Archaeologist | Ohio Valley Archaeological Consultants, Ltd |
|--------------|--|--|

Educational Background

| | | |
|------|--------------------|---|
| 2002 | Ph.D. | Department of Anthropology The Ohio State University |
| 1996 | M.A., Anthropology | Department of Anthropology The Ohio State University |
| 1989 | B.A., Anthropology | Department of Anthropology The Ohio State University |

Former Positions

| | | |
|-----------|------------------|--|
| 1990-1994 | Archaeologist | Cultural Resource Analysts, Inc. Lexington, Kentucky |
| 1988 | Field Technician | Lithic Analysts, Inc., Pullman Washington J. J. Flenniken, Principal Investigator |
| 1987-1988 | Field Technician | Various C.R.M. Firms in Ohio. |
| 1987 | Student | The Ohio State University Fieldschool Dr. Richard Yerkes |

Specialized Training

The Flintknapping Fieldschool, Directed by Dr. J. J. Flenniken, Lithic Analysts, Inc.
Pullman, Washington.

Stone-Tool Use-wear Analysis, Under the direction of Dr. Richard Yerkes, Associate Professor,
Department of Anthropology, The Ohio State University. Columbus.

Professional Organizations

Ohio Archaeological Council
Society for American Archaeology
Register of Professional Archaeologists, RPA

Teaching Appointment Record at The Ohio State University

| <u>Position</u> | <u>Quarter</u> | <u>Course/Assignment</u> |
|-----------------|----------------|--|
| Instructor | Summer 1998 | Anthropology 201, Intro. to World Prehistory |
| Instructor | Spring 1998 | Anthropology 200, Intro. to Physical Anthropology |
| Instructor | Winter 1998 | Anthropology 200, Intro. to Physical Anthropology |
| Instructor | Autumn 1997 | Anthropology 202, Intro. to Cultural Anthropology |
| Instructor | Summer 1997 | Anthropology 202, Intro. to Cultural Anthropology |
| Instructor | Spring 1997 | Anthropology 200, Intro. to Physical Anthropology |
| Instructor | Winter 1997 | Anthropology 200, Intro. to Physical Anthropology |
| Assistant | Winter 1996 | Anthropology 200, Intro. to Physical Anthropology |
| Assistant | Spring 1996 | Anthropology 597, Culture and Conflict in Developing Nations |
| Assistant | Autumn 1995 | Anthropology 597, Culture and Conflict in Developing Nations |

Professional Papers Presented

- 2001 *Biface Complexity and Lithic Transport Stages: An Experimental Flintknapping Perspective on the Formation of Lithic Assemblages.* Presented at the Society for American Archaeology, 66th Annual Meeting. New Orleans.
- 1999 *Chipped Stone Tool Production Strategies and Lithic Debris Patterns.* Presented at the 64th Annual meeting, Society for American Anthropology. Symposium: Morphology, Myth and Meaning: New Directions in Lithic Debitage Analysis. Organized and Chaired by William Andrefsky, Washington State University, Pullman.
- 1996 *Logistically Organized Core Technologies: An Early Archaic Example in Southeastern Kentucky.* Presented at the 63rd Annual Meeting of the Eastern States Archeological Federation. Huntington, West Virginia.

- 1995 *Kanawha Black Flint and the Distribution of Archaic Mountaintop Sites in West-Central West Virginia.* With Katherine Robinson Mickelson. Presented at the 1995 OAC Conference.
- 1994 *Early Archaic Occupation at the Main Site: Data on the Age and Technological Variability of Bifurcate Projectile Points.* With Steven D. Creasman. Paper Presented at the 1994 SEAC/MAC Archaeological Conference. Lexington, Kentucky.
- 1994 *Experimental Use of the “Broad-Bit” Drill from the Early Woodland I Horizon of the Main Site (15BL35), Bell County, Kentucky.* Presented at the and at the 11th Annual Kentucky Heritage Council Archaeological Conference.
- 1993 *Experimental Use of the “Broad-Bit” Drill from the Early Woodland I Horizon of the Main Site (15BL35), Bell County, Kentucky.* Presented at the 1993 West Virginia Archaeological Society Annual Meeting.
- 1992 *The Lithic Technology at the Main Site (15BL35), Bell County, Kentucky: A Comparative Analysis.* Presented at the First Discovery of America: A Conference on Ohio’s Earliest Inhabitants. Columbus, Ohio.

Archaeological Reports

- 1998-2007 Over 200 Phase I cultural resource management reports in Ohio, West Virginia, Indiana, New York, and Pennsylvania.
- 1990-1996 Over 100 Phase I archaeological reports in Kentucky, West Virginia, Tennessee and Virginia. For Cultural Resource Analysts, Inc., Lexington, Kentucky and Hurricane, West Virginia.

Burks, Jarrod and Albert M. Pecora

2002 *Geophysical Survey at the Danbury Site (33OT16) in Danbury Township, Ottawa County, Ohio.* OVAC contract report #2002-11. Ohio Valley Archaeological Consultants, Ltd., Worthington.

2005 *Phase III Archaeological Data Recovery for the LIC-70-17.70 Rest Area Improvement Project (PID 24413) to Mitigate Adverse Affects to Sites 33Li183 and 33Li185 in Licking Township, Licking County, Ohio.* Professional Archaeological Services Team, Plain City.

Keener, Craig S. and Albert M. Pecora

2003 *Phase II Archaeological Assessment of Site 33Ms29 Located at the Proposed Ohio River Boat Access in Racine, Sutton Township, Meigs County, Ohio with contributions by Jarrod Burks and Norm Haywood.* Professional Archaeological Services Team, Plain City.

Pecora, Albert M. and Jarrod Burks

- n.d. *Phase III Archaeological Mitigation of Sites 33At980 and 33At982 within the ATH-SR 144-3.20 (PID 79118) Realignment Project in Athens County, Ohio.* Work in Review. Ohio Valley Archaeological Consultants, Ltd., Columbus.

Pecora, A. M.

- 2000 *Phase II Archaeological Assessment of Site 33FA1460, Rush Creek Township, Fairfield County, Ohio with a contribution by Jarrod Burks.* OVAC contract report #2000-06. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2001 *Archaic Lithic Assemblage Formation, Site Function, and Settlement: A Phase III Archaeological Investigation of the Sawmill Site (33FRI444) in Perry Township, Franklin County, Ohio.* OVAC contract report #2001-24. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2002 *Phase II Archaeological Assessment of Site 33PU115 for the Proposed Glandorf-Ottawa (CH03HO151A) Wireless Communications Tower, Ottawa Township (Section 21), Putnam County, Ohio with a Geophysical Survey by Jarrod Burks.* OVAC contract report #2002-17. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2002 *Radiocarbon Dates for Prehistoric Features from the Glandorf Site (33PU115) Located at the Proposed Glandorf-Ottawa (CH03HO151A) Wireless Communications Tower, Ottawa Township, Putnam County, Ohio.* OVAC contract report #2002-17C. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2002 *Phase II Archaeological Assessment of the Conn Site (33Mu1228) Located Along the Proposed 9.9 Mile Bartlett Run Trunk Sewer Line in Muskingum Township, Muskingum County, Ohio with a Geophysical Survey and Research Contribution by Jarrod Burks.* OVAC contract report #2002-23. Ohio Valley Archaeological Consultants, Ltd., Worthington.

Pecora, Albert M. and Stephen M. Biehl

- 2005 *Archaeological Investigations of Sites 33Co38 (Phase II) and 33Co874 (Phase II & III) Columbiana County, Ohio with contributions by Dr. Jarrod Burks and Dr. Annette Ericksen.* OVAC contract report #2005-03. Ohio Valley Archaeological Consultants, Ltd., Columbus.

Pecora, Albert M., Craig S. Keener, and Jarrod Burks

- 2004 *Phase II Archaeological Assessments of Sites 33Li1291, 33Li1292, and 33Li1301 Located within the FRA/LIC-161-23.15/0.00 Wetland Mitigation Site #1, Licking County, Ohio (PID 12139).* OVAC contract report #2004-15. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2005 *Phase II Archaeological Assessment of Site 33Wn425 along the S.R. 7 Widening Project (WAS-7-24.96), Reno Township, Washington County, Ohio (PID 76224) with*

contributions by Dr. Annette Ericksen. OVAC contract report #2005-13. Ohio Valley Archaeological Consultants, Ltd., Columbus.

Pecora, Albert M., Craig S. Keener, Jarrod Burks, and Stephen Biehl

2004 *Phase II Archaeological Assessments of Sites 33Li182, 33Li183, 33Li185, 33Li195, and 33Li196 Located Within the LIC-70-17.70 Rest Areas on Interstate 70, Licking County, Ohio (PID 24413).* OVAC contract report #2004-01. Ohio Valley Archaeological Consultants, Ltd., Worthington.

Pecora, Albert M.

1995 “Lithic Analysis.” In *Phase III Investigations at the Martin Justice Site (15PI92, Pike County, Kentucky).* By Jonathan P. Kerr and Steven D. Creasman. Contract Publication Series 95-24. Cultural Resource Analysts, Inc. Lexington, Kentucky.

1994 “Lithic Analysis.” In *Salvage Excavation at the Railway Museum Site, Jefferson, County, Kentucky.* By C. M. Anslinger. Contract Publication Series 94-xx. Cultural Resource Analysts, Inc. Lexington, Kentucky.

1994 “Lithic Analysis.” In *Upper Cumberland Archaic and Woodland Period Archeology at the Main Site (15BL35), Bell County, Kentucky.* Appendix D. By Steven D. Creasman. Contract Publication Series 94-56. Cultural Resource Analysts, Inc. Lexington, Kentucky.

1992 *A Phase II National Register Evaluation of the Armstrong Creek Bearwallow Site (46FA208) in Fayette County, West Virginia.* By Steven D. Creasman and Albert Pecora. Contract Publication Series 92-96. Cultural Resource Analysts, Inc. Lexington, Kentucky.

1992 “Lithic Analysis.” *The Winfield Locks Site: A Phase III Excavation in the Lower Kanawha Valley, Putnam, County, West Virginia.* By M.A. Hughes, J.P. Kerr and A.M. Pecora. Contract Publication Series 92-81, Cultural Resource Analysts, Inc., Lexington, Kentucky.

1991 “Lithic Analysis.” *Late Archaic Archeology of the Lower Kanawha Valley: Excavations at the Corey Site (46PU100), Putnam, County, West Virginia.* By M.A. Hughes, J.P. Kerr and A.M. Pecora. Contract Publication Series 91-71, Cultural Resource Analysts, Inc., Lexington, Kentucky.

1990 “Lithic Analysis”, “Chert Source Analysis” (with Dr. R. Yerkes) and “The Introduction of the Bow and Arrow” (with Dr. R. Yerkes). In *Late Woodland Archaeology at the Parkline Site (46PU99) Putnam County, West Virginia.* Contract Publication Series 90-93. Cultural Resource Analysts, Inc., Lexington, Kentucky.

1990 *A Phase II National Register Evaluation of Site 15PI49 on Flatwoods Mountain in Southeastern Pike County, Kentucky.* By Jonathan P. Kerr and Albert M. Pecora.

Contract Publication Series 90-72, Cultural Resource Analysts, Inc., Lexington,
Kentucky.

Published Reports/Papers

- 2002 *The Organization of Chipped Stone Tool Manufacture and the Formation of Lithic Assemblages*. Ph.D. Dissertation. The Ohio State University
- 2001 Chipped Stone tool Production Strategies and Lithic Debitage Patterns. In *Lithic Debitage Analysis: Studies in Context, Form, and Meaning*. Edited by W. Andrefsky. University of Utah Press.
- 1996 The Main Site: Radiocarbon and Culture Chronology. By S. D. Creasman, J. P. Kerr, E. A. Bettis and A. M. Pecora. *Tennessee Anthropologist* 21(2):156-180.
- 1991 Test Excavations at the Glasgow Site: A Stratified Terminal Early and Late Archaic Site in Kanawha County, West Virginia. C.M. Niquette, A. M. Pecora, R.W. Yerkes and K. J. Saul. *West Virginia Archeologist* 43(1&2): 27-56.
