FS= Field Supervisor

Lone Author:

Biehl, S. M.

- 1996 *A Phase I Investigation of the Proposed North Shore Coal, Inc. Mining Tract (Permit Application #1390) in Jackson Township, Guernsey County, Ohio.* Submitted to Charles R. Harkness Surveying & Mapping, Inc. by Rising Tide Industries. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *An Intensive Literature Review for the Village of Adamsville and a Phase I Cultural Resource Management Survey for the Proposed Adamsville Line Installation in Salem Township, Muskingum County, Ohio.* Submitted to Columbia Gas of Ohio, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *Phase I Cultural Resource Management Investigation for the Proposed United States Postal Service Postal Facility in the Village of South Point, Perry Township, Lawrence County, Ohio.* Submitted to Woolpert LLP by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *Phase I Cultural Resource Management Investigations for the Proposed 59.5 Acre Mining Application #1415 in Section 4, Pleasant Township, Perry County, Ohio.* Submitted to Buckingham Coal Company, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *Phase I Cultural Resource Investigation for the Proposed 82.8 ha (204.6 a.) Mining Application #1419 in Virginia Township, Coshocton County, Ohio.* Submitted to R & F Coal Co. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *Phase I Cultural Resource Management Investigation for the Proposed United States Postal Service Postal Facility in the Village of Canal Winchester, Madison Township, Franklin County, Ohio.* Submitted to Woolpert LLP by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *Phase I Cultural Resource Management Investigations of the Proposed 4.9 ha (12 a.) Mohican School in the Out-of-Doors, Inc. Education Complex in Worthington Township, Richland County, Ohio.* Submitted to Mohican School in the Out-of-Doors, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**

- 1997 *Phase I Cultural Resource Management Investigation for the Proposed Additional 57.7 ha (142.5 a.) Marion Airport Industrial Park in Section 18 of Claridon Township, Marion County, Ohio.* Submitted to Marion Municipal Airport by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *Phase I Cultural Resource Management Survey for the Proposed 1.13 ha (2.79a.) Tall Trees Senior Apartment Complex Development in Clinton Township, Seneca County, Ohio.* Submitted to LJB, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *Phase I Cultural Resource Management Investigation for the Proposed Construction of a Jegs Automotive Parts Distribution Facility on 60.7 ha (150 a.) within Delaware Township, Delaware County, Ohio.* Submitted to the Delaware County Commissioners by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *Phase I Cultural Resource Management Survey for the Proposed .1 ha (.34 a.) New Bellville Cell Site in Jefferson Township, Richland County, Ohio.* Submitted to LAW Engineering and Environmental Services, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1997 *Phase I Cultural Resource Management Investigations of the Proposed 6.4 ha (15.8 a.) Development in the City of Sheffield, Sheffield Township, Lorain County, Ohio.* Submitted to BBC&M Engineering, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *A Phase II Archaeological Assessment of 33DL951, The Wise/J. B. Slack Farmstead in Delaware Township, Delaware County, Ohio.* Submitted to the Delaware County Commissioners Office by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *Phase I Cultural Resource Management Investigation of the 2.725 ha (6.734 a.) Proposed Construction Site for the Providence Glen Apartments and the Corban Commons Apartments in Mifflin Township, Franklin County, Ohio.* Submitted to Concorde Capital Corporation by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus.
- 1998 *Phase I Cultural Resource Management Investigation for the 8.98 ha (22.2 a.) Permit Application Area (#1438) in Trimble Township, Athens County, Ohio.* Submitted to Buckingham Coal Company, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *Phase I Cultural Resource Management Investigation for the .09 ha (.229 a.) Petersburg Communication Tower in Ida Township, Monroe County, Michigan.* Submitted to CTL Engineering, Inc. by APPLIED Archaeological Services, Inc. **FS**

- 1998 *Phase I Cultural Resource Management Investigation of the 15.4 ha (38 a.) Cravat Coal Co. Surface Mining Tract (Application #1442) in Section 5, Moorefield Township, Harrison County, Ohio.* Submitted to Cravat Coal Co. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *Phase I Cultural Resource Management Investigation of the 91 ha (225 a.) Housing Development along Powell Road, I-71, and South Old State Road in Orange Township, Delaware County, Ohio.* Submitted to Planned Communities, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *Phase I Cultural Resource Management Investigation for the Proposed .13 ha (.33 a.) AirTouch Cellular Tower in Clinton Township, Shelby County, Ohio.* Submitted to CTL Engineering, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *Phase I Cultural Resource Management Investigations for the Proposed .2 ha (.5 a.) 360 Degree Communication Tower in Jefferson Township, Crawford County, Ohio.* Submitted to CTL Engineering, Inc. by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *Phase I Cultural Resource Management Investigations of The Holmes Limestone Company 9.4 ha (23 a.) Surface Mine (Application #D-1088-1) in Section 20, Jackson Township, Guernsey County, Ohio.* Submitted to The Holmes Limestone Company by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *Phase I Cultural Resource Management Investigations for The Holmes Limestone Company's 81.6 ha (201.6 a.) Surface Mining (Permit Application #1448) in Walnut Creek Township, Holmes County, Ohio.* Submitted to The Holmes Limestone Company by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *Phase II Archaeological Assessment of 33HS209, the Former Samuel J. Weaver Property in Walnut Creek Township, Holmes County, Ohio.* Submitted to The Holmes Limestone Company by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 1998 *Phase I Cultural Resource Management Investigations for the Proposed 500,000 Gallon Water Storage Tank and Raw Water Pump Station in Yellow Creek Township, Columbiana County, Ohio.* Submitted to the Southern Columbiana County Regional

Water District by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**

1998 *Phase I Cultural Resource Management Investigation of the Towne Boulevard/Lefferson Road Extension in the City of Middletown, Franklin and Turtle Creek Townships, Warren County, Ohio.* Submitted to City of Middletown on behalf of URS Greiner by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus.

1998 *Phase I Cultural Resource Management Investigations for the 38.4 ha (94.8 a.) Surface Mine (Permit Application #D-1149-1) in Jefferson and York Townships, Tuscarawas County, Ohio.* Submitted to The Holmes Limestone Company/Horizon Coal Company by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**

1999 *Phase I Cultural Resources Management Investigations for a Proposed .4 ha (1 a.) AirTouch Cellular Communications Tower in Hilliar Township, Knox County, Ohio.* Submitted to CTL Engineering, Inc. on behalf of AirTouch Cellular by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**

1999 *Phase I Cultural Resources Management Investigations of the 93 ha (230 a.) Polaris Fashion Place at the Intersection of I-71 and Polaris Parkway in Orange Township, Delaware County, Ohio.* Submitted to Glimacher Development Company by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**

1999 *Phase I Cultural Resources Management Investigations for the Proposed .126 ha (.311 a.) Parking Lot Construction in Claridon Township, Marion County, Ohio.* Submitted to Prairie Parks and Nature Preserves, The Marion County Park District by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus.

1999 *Phase I Cultural Resources Management Investigations for the Proposed 2.2 km (1.39 mi.) Lexington-Spangmill Road Alignment RIC-CR133.096 in Troy Township, Richland County, Ohio.* Submitted to the Richland County Engineer's Office by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus.

1999 *Phase I Cultural Resources Management Investigations for the Proposed Kochheiser Road Bridge (RIC-CR325-2.14) Replacement in Washington Township, Richland County, Ohio.* Submitted to the Richland County Engineer's Office by APPLIED Archaeological Services, Inc. Copy available for review at the Ohio Historic Preservation Office, Columbus.

- 2003 *Phase I Archaeological Survey of the Proposed Marblehead Commons of Port Clinton Housing Development in Danbury Township, Ottawa County, Ohio.* OVAC Contract report #2003-12. Ohio Valley Archaeological Consultants, Ltd., Worthington. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 2003 *Phase I Archaeological Survey of the Proposed Sterling Mining Corporation's Shean Hill North Mine, Permit Application No. 10238, in Brush Creek Township (Section 25), Jefferson County, Ohio.* OVAC Contract report #2003-16. Ohio Valley Archaeological Consultants, Ltd., Worthington. Copy available for review at the Ohio Historic Preservation Office, Columbus. **FS**
- 2003 *Cultural Resource Literature Review for the Proposed 131 Acre Dover Highlands Housing Development in Lafayette Township, Medina County, Ohio.* OVAC Contract report #2003-28. Ohio Valley Archaeological Consultants, Ltd., Worthington. Copy available at the Ohio Historic Preservation Office, Columbus.
- 2004 *Phase I Archaeological Survey of the Proposed Buckeye Industrial Mining Company Mining Tract (Permit Application No. 10259), in Section 26, Rose Township, Carroll County, Ohio.* OVAC contract report #2004-03. Ohio Valley Archaeological Consultants, Ltd., Worthington. Copy on file at the Ohio Historic Preservation Office, Columbus.
- 2004 *Cultural Resource Literature Review for the Proposed 22 Acre Harrington Square Development in Middlefield, Middlefield Township, Geauga County, Ohio.* OVAC contract report #2004-04. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Cultural Resource Literature Review for the Proposed 97 Acre Quarry View Housing Development in Wadsworth Township, Medina County, Ohio.* OVAC contract report #2004-07. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Cultural Resource Literature Review for the Proposed 42 Acre Highland Park Housing Development in Lake Township (Section 31), Stark County, Ohio.* OVAC contract report #2004-08. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Cultural Resource Literature Review for the Proposed 115 Acre Ridgewood Falls Housing Development in Montville Township, Medina County, Ohio.* OVAC contract report #2004-09. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Cultural Resource Literature Review for the Proposed 85 Acre Summerset Woods Housing Development in Montville Township, Medina County, Ohio.* OVAC contract report #2004-10. Ohio Valley Archaeological Consultants, Ltd., Worthington.

- 2004 *Phase I Archaeological Survey for the Proposed 74.32 Acre Bella Rosa Subdivision Housing Development in Wadsworth Township, Medina County, Ohio.* OVAC contract report #2004-02. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Phase I Archaeological Survey of 7 Acres within the Proposed 131 Acre Dover Highlands Housing Development in Lafayette Township, Medina County, Ohio.* OVAC contract report #2004-05. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Phase I Archaeological Survey of the Proposed 11 Acre Kroger Company/Elm Street Widening Project in American Township (Section 33), Allen County, Ohio.* OVAC contract report #2004-12. Ohio Valley Archaeological Consultants, Ltd., Worthington. **FS**
- 2004 *Phase I Archaeological Survey for the Proposed 120 Acre Rosewood Subdivision Housing Development in the City of Brunswick, Brunswick Hills Township, Medina County, Ohio.* OVAC contract report #2004-13. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Phase I Archaeological Survey of the Proposed River's Edge Subdivision in North Royalton Township, Cuyahoga County, Ohio.* OVAC contract report #2004-14. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Cultural Resource Literature Review for the Proposed 120 Acre Hunters Creek Housing Development in Montville Township, Medina County, Ohio.* OVAC contract report #2004-16. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Phase I Archaeological Survey for the Proposed Highland Park Housing Development in Lake Township (Section 31), Stark County, Ohio.* OVAC contract report #2004-17. Ohio Valley Archaeological Consultants, Ltd., Worthington. **FS**
- 2004 *Phase I Archaeological Survey of the Proposed Penn-Ohio Coal Company (dba Kimble Clay & Limestone) Adjacent Area Permit Application D-2166-1, Monroe Township, Harrison County, Ohio.* OVAC contract report #2004-18. Ohio Valley Archaeological Consultants, Ltd., Worthington. **FS**
- 2004 *Cultural Resource Literature Review for the Proposed Bridge Replacement Over Kyger Creek and Realignment of Gravel Hill Road, GAL-C.R. 13-1.35, Cheshire Township, Gallia County, Ohio.* OVAC contract report #2004-21. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Phase I Archaeological Survey of the Proposed Amerikohl Mining, Inc. Mining Tract (Permit Application No. 10264) in Sections 8 and 17, Madison Township, Columbiana County, Ohio.* OVAC contract report #2004-22. Ohio Valley Archaeological Consultants, Ltd., Worthington. **FS**

- 2004 *Phase I Archaeological Survey of the Proposed Penn-Ohio Coal Company Permit Application D-2079-1, York Township, Tuscarawas County, Ohio.* OVAC contract report #2004-30. Ohio Valley Archaeological Consultants, Ltd., Worthington.
- 2004 *Phase I Cultural Resource Management Survey for the Proposed 6 ha (15 a.) Kingston Mound Manor Apartments in Circleville Township, Pickaway County, Ohio.* PAST contract report #302. Professional Archaeological Services Team, Plain City. **FS**
- 2004 *Cultural Resource Literature Review for the Proposed 10-Acre Pope Home Site Wetland Project within the Fox-Pope Farm National Register District (GEA-523-06), Troy Township, Geauga County, Ohio.* OVAC contract report #2004-34. Ohio Valley Archaeological Consultants, Ltd., Worthington.
